# 1. Introduction and Program Scope

## 1.1 Purpose and Authority

This Certification Manual specifies the conformity assessment and certification procedures administered by the St. Johns River Water Management District (SJRWMD) for water efficiency under the Florida Water Star (FWS) Program statewide.

The SJRWMD grants the FWS Program Administrator the authority to perform the responsibilities outlined for managing the FWS Program.

## 1.2 Scope of Information

This manual provides comprehensive information on FWS property certifications and their respective categories.

**Note:** This is a sample file. You'll need to create files for sections 2-10 using the PDF content.
